HA Collagen Booster

RECOMMENDED SKIN TYPES

INGREDIENT HIGHLIGHTS

- Pyrus Malus (Apple) Fruit Extract, Vitis Vinifera (Grape) Fruit Cell Extract, Plankton Extract, Tocopheryl Acetate (Vitamin E), Sodium Hyaluronate (Hyaluronic Acid), Hydrolyzed Hyaluronic Acid, Hydrolyzed Sodium Hyaluronate (Hyaluronic Acid), Sodium Hyaluronate (Hyaluronic Acid) Crosspolymer

DESCRIPTION

Hyaluronic Acid is responsible for keeping the skin smooth and plump, but naturally over time, the levels found within the skin decrease with age. As a result, the skin begins to dry out and lose its baby-skin smoothness. HA Collagen Booster is specially formulated, featuring our proprietary Transepidermal delivery system, to provide intense hydration, boost the moisture content and defend against moisture loss to promote softer, smoother and more radiant skin. The unique grape extract found within the HA Collagen Booster acts as a powerful antioxidant, effectively protecting both the skin and epidermal skin cells from harmful UV rays and other environmental stressors. The synergistic effect of multiple types of Hyaluronic Acid, employed in this product, provide immediate and lasting hydration levels within the skin, resulting in a more radiant appearance.

BENEFITS

- ✓ Clinically proven to increase hydration levels up to 110% within one hour of application
- ✓ Long-last hydration up to 5 days after application
- ✓ Unique formula improves the appearance of wrinkles, providing an improvement in overall skin tone
- ✓ Light-weight formula that provides superior hydration to the skin
- ✓ Prevents skin damage caused by damaging UV rays and pollution
- ✓ Fights photo-aging of the skin to provide radiant and healthy-looking skin

DIRECTIONS FOR USE

- Apply to the face and other targeted areas, avoiding the eye area. Can also be used as a stand-alone moisturizer or layer with other products. Allow to absorb before applying additional products. Can be used twice daily or as otherwise directed.

INGREDIENTS

- Water/Aqua/Eau, Dimethicone, Bis-PEG-8 Dimethicone, HDI/Trimethylol Hexyllactone Crosspolymer, Polysilicone-11, Glycerin, Pyrus Malus (Apple) Fruit Extract, Vitis Vinifera (Grape) Fruit Cell Extract, Plankton Extract, Tocopheryl Acetate (Vitamin E), Sodium Hyaluronate (Hyaluronic Acid), Hydrolyzed Hyaluronic Acid, Hydrolyzed Sodium Hyaluronate (Hyaluronic Acid), Sodium Hyaluronate (Hyaluronic Acid) Crosspolymer, Lecithin, Ethylhexylglycerin, Caprylyl Glycol, Serine, Isohexadecane, Glyceryl Linoleate, Sucrose Palmitate, Trehalose, Urea, Polysorbate 80, Polysorbate 20, Isomalt, Algin, Disodium Phosphate, Glyceryl Polyacrylate, Ammonium Polyacryloyldimethyl Taurate, 1,2 Hexanediol, Disodium EDTA, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Silica, Sodium Hydroxide, Potassium Phosphate, Pentylene Glycol, Pullulan, Polymethylsilsequioxane, Sodium Benzoate, Phenoxyethanol
